

SINGLE PLOTS WINES – MAZUELO 2019

Wine from a single plot, “Haciasolana” with 0,35 hectares 90 years old. The yield we get is only 700 grams per plat in a limestone soil.

Our Mazuelo grape vineyards are quite vigorous, to obtain a low yield from the plots we make an immature defoliation of the leaves. We have been trying to make this wine for 10 harvest on a row and was only in 2017 vintage the wine had the right evolution to release it. Smooth and balanced.
