

SINGLE PLOTS WINES – MAZUELO

Wine made from a unique plot “Haciasolana” with 0,35 hectares planted in 1930. Very low yield of 700 g grams per plant. Mazuelo is a complicated grape to make wine with without blending it with others, so it is necessary to teach the plant how to produce the proper grapes. It took our winemaker 10 years

Varieties	100% Mazuelo
Altitud	436 meters
Harvest	Manual
Elaboration	It ferments in a 500-liter barrel and ages in a single 500-liter new French oak barrel for 15 months. We produce a maximum of 700 bottles.
